INSTRUCTION TO AUTHORS

Journal of the Black Sea/Mediterranean Environment (J. Black Sea/Mediterr. Environ.) is published trimesterly. The journal publishes original researches, review papers and short communications on marine environment, rivers and atmosphere. The aim and scope of Journal of the Black Sea/Mediterranean Environment is to publish stirring, high-quality science that addresses questions in pollution, marine biology, physical and chemical oceanography, marine geology and geophysics, maritime policy, biological conservation, coastal zone management and engineering. The papers submitted for publication must be unpublished and should contain data that have not previously been published elsewhere as a whole or in part. Review papers must provide a synthesis and critical evaluation of the state of knowledge of the subject. Manuscripts should be written in clear and concise English and conform to general style of the journal. Manuscript may be accepted for publication after the advice of two referees (double blind peer review process).

Manuscript should be typed single spaced with the format of journal as:

Page limit maximum 15 pages (with some exceptions such as review papers)
